♩ ~ 100

VERSE 1: ^{F Bb Dm7 Csus} **Jesus, lover of my soul,**

^{F Bb Csus}

Let me to Thy bosom fly,

^{Dm7 F/A Bb F}

While the nearer waters roll,

^{Dm7 Bb Csus4}

While the tempest still is high:

^{Gm7 F/A Bb F}

Hide me, O Savior, hide,

^{Dm7 Csus4 Bb}

Till the storm of life is past;

^{Gm7 F/A Bb F}

Safe into the haven guide;

^{Dm7 Csus4 Bb}

O, receive my soul at last!

^{BbMaj7/D C/E F Bb | Dm7 Csus | F/A Bb | Csus F |}

O, receive my soul at last!

VERSE 2: ^{F Bb Dm7 Csus} **Other refuge have I none;**

^{F Bb Csus}

Hangs my helpless soul on Thee;

^{Dm7 F/A Bb F}

Leave, ah! leave me not alone,

^{Dm7 Bb Csus4}

Still support and comfort me:

^{Gm7 F/A Bb F}

My trust on Thee is stayed;

^{Dm7 Csus4 Bb}

All my help from Thee I bring;

^{Gm7 F/A Bb F}

Cover my defenseless head

^{Dm7 Csus4 Bb}

With the shadow of Thy wing,

^{BbMaj7/D C/E F Bb | Dm7 Csus | F F/A Bb Csus | F}

With the shadow of Thy wing.

(break)
