Key: C
Song Flow: 1,C,2,C
CCLI Song # 5270868

C² | Am | FMaj7 | G^{sus4} G

1 *C²* Come, sinners, view the *Am⁷* Lamb of God,
FMaj7 Wounded and dying, *G^{sus4}* bathed in *G* blood!
C² Behold His side, and *Am⁷* venture near,
FMaj7 The well of endless *G^{sus4}* life is *G* here.
F Here I forget my *C/E* cares and pains
FMaj7 And find a drink whose *G^{sus4}* pow'r *G* remains;
Am Only the *C/G* fountain-head *Am/F#* above
F Can satisfy the *C/E* thirst of *G^{sus4}* love. *G* *G^{sus4}* *G*

C *F* So I will come and *C/G* view the cross
F/A Where mercy answered *G/B* righteousness;
Am⁷ The spotless *C/G* Lamb of *Am/F#* God was slain
Dm⁷ For this unworthy, *C/E* helpless *F* sinner's *G* gain! *C² | Am | FMaj7 | G^{sus4} G*

2 *C²* His thorns and nails pierce *Am⁷* through my heart,
FMaj7 In ev'ry *G^{sus4}* groan I bear a *G* part;
C² I view His wounds with *Am⁷* streaming eyes:
FMaj7 But see! He bows His *G^{sus4}* head and *G* dies!
F Oh that I thus could *C/E* always feel!
FMaj7 Lord, more and more *G^{sus4}* Your love *G* reveal!

Am *C/G* *Am/F#*
Then my glad tongue shall loud proclaim
F *C/E* *G^{sus4}* *G* *G^{sus4}* *G*
The grace and glory of Your name.
