- 1** When patience turns to bitterness
And grace becomes mundane,
The comforts of what I profess
Have long ceased to remain;
When providence imprisons me
And peace fades like a dream,
Command my doubts to Calvary
Where Jesus overcame, where Jesus overcame.
- 2** When memories of Your tender care
Are marred by anxious schemes
And child-like trust becomes despair
By disappointed dreams;
When confidence is dispossessed
My soul will courage find
For hope is found in helplessness-
My Savior's strength is mine, My Savior's strength is mine.
- C** Chorus:
Hope in my helplessness, Love in unrighteousness;
Jesus gives faith and hope to the helpless.
- 3** My Savior knows this dark unrest,
Was wounded by its wars;
Through bloody tears He found His rest-
"Yet not my will but Yours."
To shame and suffering He resigned
For pure, unending joy;
His faith and triumph now is mine,
The power of doubt destroyed,
The power of doubt destroyed.
