1 I've been here before, weary and sore;
I'm losing the fight for my soul.
I need You to come for my heart is numb,
I'm lost without You in control.
I'm sorry for my mess. Come capture me with grace.

C Chorus:
No matter how I stray Your boundless love remains,
You washed away my every sin
And came for me by name;
You proved Your love for me For there at Calvary
You gave Your Son to take my place
And show Your grace
So come for me again.

2 My Savior was here, He knows pain and fear,
He traded His crown for a cross.
Though You turned away Your wrath didn't stay
For love conquered death through His loss.
I'm crucified with Christ So raise me to new life.
