- 1** O how I love Your law, my Teacher every day:
In all the woes of life, my wisdom and my stay.
- 2** What understanding broad expands my willing mind:
So far beyond all else that in this world I find.
- C** Chorus:
A lamp to guide my feet, a light upon my way:
This perfect Word will I, with all my heart, obey.
- 3** How sweet the words of God, revealing from above
Such views of things divine, such grace, and power, and
love.
- 4** In dangers and in trials, its promises I prove;
Hold fast its counsels sure with gratitude and love.
