- 1** Solo: When Adam by transgression fell,
All: Fled His Maker's face,
Solo: Linked in conspiracy with hell,
All: Ruined all his race:
Solo: Doors were opened, evil was welcomed in;
Then it increased and filled the world with sin.

- 2** Solo: But lo! the Second Adam's here,
All: Satan's head to bruise;
Solo: The serpent cowers back in fear,
All: All his plans confused.
Solo: Jesus ransoms he who was Satan's child;
By His blood He forgives and reconciles.

- 3** Solo: This faithful saying let us own,
All: Worthy to believe,
Solo: That Christ into the world came down,
All: Ruined man to save.
Solo: How He loves us! See how He bore our pain;
Worship Jesus, the Lamb who once was slain.
