1 Praise the God who loved and sought me,
Poor and wretched, far astray;
Found me lost, and kindly brought me
Out of sin and to the way.

C Chorus:
Help, O God, my weak endeavor;
This dull soul to rapture raise.
You must light the flame, or never
Can my love be warmed to praise.

2 Praise the saving God who drew me
To the cross, new life to give,
By a blood-sealed pardon freed me,
Bid me look to Christ and live.

3 Praise the God whose warnings woke me,
Roused me from my fatal ease;
Then His loving promise warmed me,
Eased my fears and whispered peace.
