1 Verse 1:
My path has led to condemnation-
My crimes are clear, my sentence just;
Why should I hope to be forgiven?
My life is gone, my soul is lost.

2 Verse 2:
But who is this who's numbered with me?
The innocent upon a cross!
I hear him pray for grace and mercy
Secured by his unfathomed loss.

C Chorus:
My savior will remember me
Though I have been his enemy;
Despite my crimes displayed
For all to see
My savior will remember me.

3 Verse 3:
I hear the jeers that rise around us-
"If you are him why can't you save?"
But they won't hear his glorious promise-
"My kingdom comes right through the grave."

B Bridge:
Come see the one whose grace outpours-
Whom my once rebel heart adores;
Through selfless love and guiltless pain
He came to ransom me by name.

Verse 4:

**And when my heart has ceased its' beating,
My eyes no more look on the skies,
I'll see this king, in glory, rushing
To welcome me to paradise,
To welcome me to paradise,
My savior will remember me.**
