C Chorus:
We have wandered
Long as strangers but the
Lord has promised-
God's gonna lead us to glory.

1 Verse 1:
From the garden we have roamed,
God's gonna lead us to glory.
We are the children who have no home,
God's gonna lead us to glory.

2 Verse 2:
All our chains of slavery,
God's gonna lead us to glory.
Born and defeated at Calvary,
God's gonna lead us to glory.

3 Verse 3:
See the King as He returns,
God's gonna lead us to glory.
Death and the Devil He overturns,
God's gonna lead us to glory.
