1 **Verse 1:**
Come out of the shadows,
There's nothing to fear.
I know you've been hurt and rejected before
But you're welcome here.

2 **Verse 2:**
Come, judged and abandoned
For you're wanted here.
We're all just a mess yet accepted by grace-
There's none righteous here.

C **Chorus:**
There's peace and acceptance, pardon and rest,
There's hope in the house of the Lord.
There's love and redemption, healing and joy,
There's hope in the house of the Lord,
Hope in the house of the Lord.

3 **Verse 3:**
Once seated in splendor,
He tasted our fear;
Betrayed and abandoned, he died in our place-
There's righteousness here.

B **Bridge:**
So lay down your fears, you're loved and adored.
You have a place in the house of the Lord.
